ECO-FRIENDLY LANYARD TEMPLATE

Place artwork to the bleed line and keep text and logos inside the safe area. Delete this page's guides and labels before saving your print file.

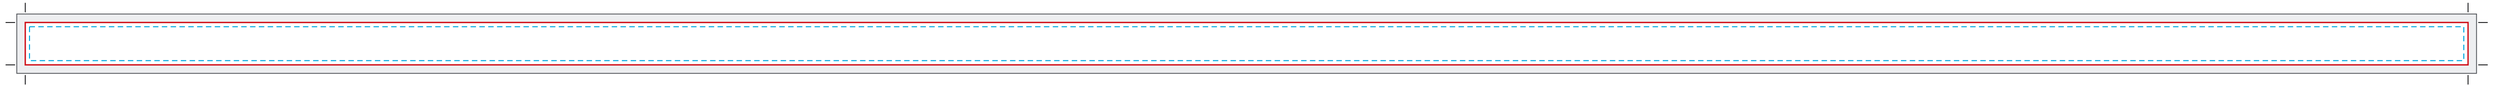

Bleed: artwork extends to here — Trim: finished size and cuts — Safe area: keep text and logos inside

1/2" wide × 36" lanyard strip

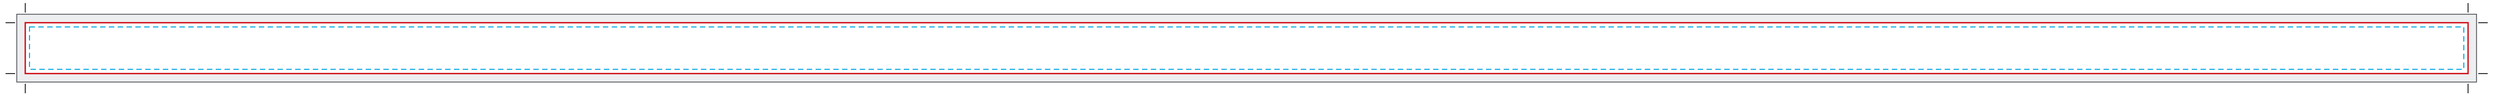

Art repeats along the strip. Keep logos away from the center fold and the hook area.

5/8" wide × 36" lanyard strip

Art repeats along the strip. Keep logos away from the center fold and the hook area.

3/4" wide × 36" lanyard strip

Art repeats along the strip. Keep logos away from the center fold and the hook area.

Files: AI, EPS, or PDF preferred, with fonts outlined. Images at 300 dpi. Note Pantone colors on your order. Your proof confirms the final setup.
